- Slippery floors (fear)
- Noise (fear)
- Guards food/toys
- Other
- Not applicable

Are there any health restrictions for your dog (e. g. allergies, arthritis)

Yes No If yes, please explain _____

Is your dog current on vaccinations/titers:

Yes No If no, please explain _____

Dog Attendance Policy

The nature of K9 Nose Work™ is to be open to as many dogs as can be safely accommodated. This includes dogs with varying social skills, spatial requirements, or that may be considered mildly to moderately reactive. For this reason we have strict policies for all dogs to make sure the environment is safe for all dogs attending. Please do not allow your dog to approach other dogs without permission. Dogs must be kept on leash, unless otherwise instructed.

Shy, over-exuberant and certain mild to moderate reactive dogs are welcome candidates but must be tolerant of other humans working with the team or watching in the audience, and dogs in the area. Please leave dogs at home that pose a threat to other dogs or people, are intolerant of strangers in the general area, have serious aggression or exhibit strong fearful responses.

We reserve the right to ask a dog/handler team to leave the practice group without refund if we feels/he is inappropriate or dangerous to the instructor or other group participants, or if the experience is detrimental to the dog's emotional well-being. Handlers are required to disclose full information as it pertains to any level of aggression.

Dogs are worked one at a time while other dogs are resting in their crates until it is their turn. Dogs must be able to stay quietly in a crate or in a vehicle out of owner's sight when not working.

Please bring a crate, cover for crate, water, your dog's favorite toys or items s/he plays with, a small bait bag or vented container (e. g. Tupperware container with holes punched in lid) you can hide in a box (no plastic bags please) and lots of high value **smelly** treats cut in small pieces (e. g. salmon, blue cheese, rotisserie chicken, mackerel, liverwurst, meat balls, tortellini, garlic sausage, BBQ pork) to each practice session.

Also bring a flat buckle or snap collar or regular harness and a 6' leash, and a 10-15' long line if available.

Please also bring poop bags to clean up after your dog.

Liability Waiver

I understand that attendance at a canine group class is not without risk to myself, members of my family, guests who may attend, or my dog, because some of the dogs to which I (we) will be exposed may be difficult to control and may be the cause of injury and/or damage even when handled with the greatest amount of care.

On acceptance of my application to attend the group practice sessions, I hereby waive, release, and agree to hold harmless, HeRo Canine Consulting LLC, Wagging Tail Bed & Biscuit Inc., Richard E. Angelo Inc., Bloomsburg Elementary School, Paws-itively Obedient Dog Training School, Bloomsburg Fair Association, volunteers, and/or agents, hereinafter referred to as "Organizers", for injury and/or damage which I, my family, my guests, or my dog may suffer, including, but not limited to, any injury or damage resulting from the action of any dog(s) in the training session or on the training grounds.

In addition, I expressly assume the risk of such injury or damage while attending any training session, any other function of Organizers, and/or while on the training grounds or surrounding areas thereto.

I hereby agree to indemnify, compensate, and hold harmless Organizers from any and all claims that may be asserted against them by any person(s) as a result of any action by me or my dog that causes injury and/or damage.

Without prior permission, all handlers must be at least 18 years old.
